

Event Name	One day Seminar on “Academic Values and the Importance of Quality in Technical Education”
Centre (name)	IETE Kalaburagi Sub Centre, Kalaburagi
Venue (College/Institute)	Lingaraj Appa Engineering College, Bidar
Date & Time	13 th September 2025
Chief Guest	Dr. B V Mudgal Rtd. Professor, Former Director, Centre for Water Resources, Anna University, Chennai.
Topic of Chief Guest Speech & Highlights (Max. 25 words)	“Academic Values and the Importance of Quality in Technical Education”
Important dignitaries attended	Shri Basavaraj S Deshmukh, Secretary, SVV Sangha, Kalaburagi Shri Sharanbasappa S Deshmukh, Director, LAEC, Bidar Dr. Umatai B Deshmukh, HOD of OBG, BRIMS, Bidar
Brief Report including above information	Session Highlights Dr. Mudgal addressed the students on the theme of academic values and the importance of quality in technical education. He emphasized the significance of maintaining integrity, discipline, and dedication in academic and professional life. The session covered key topics such as: • The role of professional ethics in engineering practice • The importance of quality education and accreditation standards • The responsibility of engineers in nation-building and sustainable development • The value of continuous learning and research orientation in technical fields Drawing from his vast experience in academia and research, Dr. Mudgal encouraged students to cultivate curiosity, think critically, and apply engineering principles to real-world problems. His talk was both motivational and thought-provoking, inspiring students to pursue excellence with commitment and integrity. Outcome The session had a strong impact on the participants. Students gained a deeper understanding of the purpose of engineering education beyond academics and were inspired to uphold ethical and professional standards in their future careers. Faculty members appreciated Dr. Mudgal’s valuable insights into quality assurance and academic excellence. His guidance and life experiences served as a great source of motivation for all, reinforcing the idea that true education lies in the pursuit of knowledge, values, and societal contribution. Conclusion The session by Dr. B. V. Mudgal was both motivational and enriching, offering valuable guidance to students and faculty alike. His extensive experience and dedication to teaching and research continue to inspire the next generation of engineers. The college expressed heartfelt gratitude to Dr. Mudgal for his time, insightful address, and his continued commitment to advancing technical education and professional ethics.
